

Flashback

Friday, August 15, 8 pm

For the past 25 years Flashback has been entertaining and performing in the Bridgewater area. The group started out as friends just sitting around and jamming, playing the music they loved from the 60's and 70's. Today, Flashback plays not only those oldies, but other classic songs that have become favorites over the years. Their love of music and playing evolved into a performance group that has entertained at the Bridgewater Fair and other events in the Western Connecticut area.

The members of the band include Rick Planz, Bridgewater; Roger Cannavaro, Washington; and Eric Lundgren, Roger Malunphy, Mike Gaudenzi, Lou Manoni, Dave Pitcher of New Milford.
